Report to: Council of Governors
Date: 25 July 2019
Subject: Annual Corporate Governance Statement
Author: Sam Stoddart, Deputy Board Secretary

1. Purpose

<i>For approval</i>	<i>For a collective decision</i>	<i>To report progress</i>	<i>To seek input from</i>	<i>For information/assurance</i>	<i>Other (Please state below)</i>
				x	

2. Summary

The Provider Licence is the main tool through which NHS providers are regulated. It sets out a number of obligations.

The Trust has an NHS Provider Licence (No. 130097). In April 2017 new guidance was issued by NHS Improvement (NHSi) requiring providers to self-certify on only three licence conditions after the financial year end. The conditions are:

- (a) The provider has taken all precautions necessary to comply with the licence, NHS Acts and NHS Constitution. This is known as condition G6 and Trusts must publish their self-certification by 30 June 2018.
- (b) The provider has complied with required governance arrangements. This is known as condition FT4 and Trusts must publish their self-certification by 31 May 2018.
- (c) If providing commissioner requested services, the provider has a reasonable expectation that required resources will be available to deliver the designated services. This is known as condition CoS7 and Trusts must publish their self-certification by 31 May 2019.

The aim of self-certification is for providers to carry out assurance that they are in compliance with the conditions.

The Trust does not need to submit this the NHSi, but must ensure that the self-certifications are signed off by the Board in line with the deadlines outlined in this report. NHSi will undertake an annual audit on a small sample of Trusts to ensure compliance. If selected for an audit, Trusts will need to provide evidence that the self-certifications were signed off by the Board.

2. Next Steps

The Annual Corporate Governance self-certification report was received and approved by the Audit Committee and Board of Directors in May 2019. In line with reporting requirements the self-certification has been published on the Trust's [website](#).

3. Required Actions

The Council of Governors is asked to receive the report for assurance purposes.

4. Monitoring Arrangements

The self-certification was published within the required timescales and is the responsibility of the Director of Corporate Governance (Board Secretary).

Sheffield Health and Social Care NHS Foundation Trust
Self-certification against Provider Licence Conditions 2018-19

Details of Condition	<p>General condition G6(3) – Systems for compliance with licence conditions and related obligations</p> <ol style="list-style-type: none"> 1. The Licensee shall take all reasonable precautions against the risk of failure to comply with: <ol style="list-style-type: none"> (a) the Conditions of this Licence, (b) any requirements imposed on it under the NHS Acts, and (c) the requirement to have regard to the NHS Constitution in providing health care services for the purposes of the NHS 2. Without prejudice the generality of paragraph 1, the steps the Licensee must take pursuant to that paragraph shall include: <ol style="list-style-type: none"> (a) the establishment and implementation of processes and systems to identify risks and guard against their occurrence, and (b) regular review of whether those processes and systems have been implemented and of their effectiveness. 3. Not later than two months from the end of the financial year, the Licensee shall prepare a certificate to the effect that, following a review of the purpose of paragraph 2(b) the Directors of the Licensee are or are not satisfied as the case may be that, in the financial year most recently ended, the Licensee took all such precautions as were necessary in order to comply with this condition.
This means	This means a provider is required to have in place effective systems and processes to ensure compliance, identify risks to compliance and take reasonable mitigating actions to prevent those risks and a failure to comply from occurring.
Assurance	<p>Robust governance infrastructure and arrangements Board and Committees (Audit, Finance, Information & Performance, Quality Assurance, Workforce & Organisation Development, Remuneration, Data & Information Governance) Executive Director’s Group Trust’s Risk Management Strategy and risk management processes Incident management processes and procedures</p>

Self-certification	Compliance status: Confirmed

Details of Condition	<p>FT4: NHS Foundation Trust Conditions governance arrangements</p> <ol style="list-style-type: none"> 1. The Licensee shall apply those principles, systems and standards of good corporate governance which reasonably would be regarded as appropriate for a supplier of health care services in the NHS. 2. Without prejudice to the generality of paragraph 1 and to the generality of General Condition 5, the Licensee shall: <ol style="list-style-type: none"> (a) have regard to such guidance on good corporate governance as may be issued by NHS Improvement from time to time; and (b) comply with the following paragraphs of this Condition. 3. The Licensee shall establish and implement: <ol style="list-style-type: none"> (a) effective board and committee structures; (b) clear responsibilities for its Board, its committees reporting to the Board and for staff reporting to the Board and those committees; and (c) clear reporting lines and accountabilities throughout its organisation.
-----------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

4. The Licensee shall establish and effectively implement systems and/or processes:
 - (a) to ensure compliance with the Licensees' duty to operate efficiently, economically and effectively;
 - (b) for timely and effective scrutiny and oversight by the Board of the Licensee's operations;
 - (c) to ensure compliance with health care standards binding on the Licensee including but not restricted to standards specified by the Secretary of State, the Care Quality Commission, the NHS Commissioning Board and statutory regulators of health care professions
 - (d) for effective financial decision-making, management and control (including but not restricted to appropriate systems and/or processes to ensure the Licensee's ability as a going concern)
 - (e) to obtain and disseminate accurate, comprehensive, timely and up to date information for Board and Committee decision-making;
 - (f) to identify and manage (including but not restricted to manage through forward plans) material risks to compliance with the Conditions of its Licence;
 - (g) to generate and monitor delivery of business plans (including any change to such plans) and to receive internal and where appropriate external assurance on such plans and their delivery; and
 - (h) to ensure compliance with all applicable legal requirements.
5. The systems and/or processes referred to above include, but are not restricted to, systems and/or processes that ensure:
 - (a) sufficient capability at Board level to provide effective organisational leadership on the quality of care provided;
 - (b) the Board's planning and decision-making processes take timely and appropriate account of quality of care considerations;
 - (c) the collection of accurate, comprehensive, timely and up-to-date information on quality of care;
 - (d) the Board receives and takes into account accurate, comprehensive, timely and up-to-date information on quality of care;
 - (e) that the Licensee including the Board actively engages on quality of care with patients, staff and other relevant stakeholders and takes into account as appropriate views and information from these sources; and
 - (f) there is a clear accountability for quality of care throughout the Licensee's organisation including, but not restricted to, systems and/or processes for escalating and resolving quality issues including escalating them to the Board where appropriate.
6. The Licensee shall ensure the existence and effective operation of systems to ensure it has in place personnel on the Board, reporting to the Board and within the rest of the Licensee's organisation who are sufficient in number and appropriately qualified to ensure compliance with the Conditions of this Licence 5.

	<p>7. The Licensee shall publish within three months of the end of the financial year:</p> <p>(a) a corporate governance statement by and on behalf of its Board confirming compliance with this Condition as at the date of the statement and anticipated compliance with this Condition for the next financial year, specifying any risks to compliance with this Condition in the next financial year and any actions it proposes to take to manage such risks.</p>
This means	<p>This means Providers should review whether their governance systems meet the standards and objectives in this Condition. There is not a standard / set model, but any compliant approach would involve effective Board and Committee structures, reporting lines and performance and risk management systems.</p>
Assurance	<p>Robust governance infrastructure and arrangements Board and Committees (Audit, Finance, Information & Performance, Quality Assurance, Workforce & Organisation Development, Remuneration, Data & Information Governance) Executive Director's Group Business planning processes Business Planning Group Incident management processes and procedures Appraisal process for Board Members and Executive Directors CQC inspection process and outcomes Review meetings with CQC Review meetings with NHS Improvement Trust's Risk Management Strategy and risk management processes Service User Safety Group Policy Governance Group</p>

Self-certification	Compliance status: Confirmed
---------------------------	-------------------------------------

Details of Condition	<p>CoS7: Availability of Resources</p> <ol style="list-style-type: none"> 1. The Licensee shall at all times act in a manner calculated to secure that it has, or has access to, the required resources. 2. The Licensee shall not enter into any agreement or undertake any activity which creates a material risk that the required resources will not be available to the Licensee. 3. The Licensee, not later than two months from the end of each financial year, shall publish a certificate as to the availability of the requires resources for the period of 12 months commencing on the date of the certificate, in one of the following forms: <ol style="list-style-type: none"> (a) “After making enquiries, the Directors of the Licensee have a reasonable expectation that the Licensee will have the required resources available to it after taking account of distributions which might reasonably be expected to be declared or paid for the period of 12 months referred to in this certificate.” (b) “After making enquiries, the Directors of the Licensee have a reasonable expectation, subject to what is explained below, that the Licensee will have the required resources available to it after taking into account in particular (but without limitation) any distribution which might reasonably be expected to be declared or paid for the period of 12 months referred to in this certificate. However, they would like to draw attention to the following factors which may case doubt on the ability of the Licensee to provide Commissioner Requested Services.” (c) “In the opinion of the Directors of the Licensee, the Licensee will not have the required resources available to it for the period of 12 months referred to in this certificate.”
-----------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

This means	<p>This means that providers designated as providing Commissioner Requested Services will have the required resources to continue to provide those services; for example, management, financial, facilities and resources. Commissioner Requested Services are services that:</p> <ul style="list-style-type: none"> • should continue to be provided locally even if a provider is at risk of failing financially; • there is no alternative provider close enough; • removing them would increase health inequalities; • removing them could make other related services unviable. •
