

<p>Fire Safety Protocol 1</p> 	<h1 style="text-align: center;">Fire Safety Protocol Guide - Index</h1>
--	--

Fire Safety Protocols are provided to provide workplace managers with guidance to achieve the aims of the organisational fire safety policy; they include a broad range of topics and provide information and procedures for fire safety related issues. The list is not exhaustive and local arrangements will dictate the necessary details to address relevant issues applicable to given work areas.
