

# Coronavirus Vaccine

Protect yourself and others by getting the COVID-19 vaccine when it is your turn

**1**  
Staff will tell you about the vaccine

**2**  
They will give you a date and time

**3**  
You will get your vaccine on the ward

**4**  
Talk to staff about any worries you have

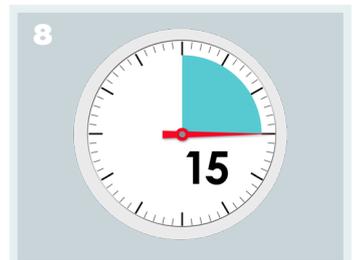

**5**  
Sign the consent form if you agree to be vaccinated

**6**  
The injection will be in your arm

**7**  
It will be over quickly

**8**  
Wait 15 minutes to make sure you don't have a bad reaction

**9**  
Staff will keep checking up on you on the ward

**10**  
They will book your next appointment for about 12 weeks time

**11**  
If you are sent home you can have your second dose in the community

**12**  
It takes a few weeks for the vaccine to protect you - keep safe

**Remember - It takes two doses to be fully protected**
