

### Board of Directors Item number: 23 Date: 28 May 2025

Confidential/public paper:	Public					
Report Title:	Keeping our people safe at work					
Author(s)	Caroline Parry, executive director of people					
	Caroline Johnson, executive director of nursing, professions, and quality					
	Dawn Pearson, associate director of communications and corporate governance					
Accountable Director:	Caroline Parry, executive director of people					
	Caroline Johnson, executive director of nursing, professions, and quality					
Presented by:	Caroline Parry, executive director of people					
	Caroline Johnson, executive director of nursing, professions, and quality					
Vision and values:	As a responsible employer we are committed to ensuring that our staff are safe at work. We acknowledge the commitment to improve lives, aligned with the following trust values:  • We keep improving  • We are inclusive  • We work together  • We are respectful and kind					
Purpose:	To provide the Board with the overarching approach to keeping our people safe at work, including updates on: Violence and aggression, sexual safety and racial discrimination.					
Executive summary:	The paper provides a proposed approach to ensuring keeping people safe at work is part of an integrated approach supported by an overarching framework to keep our people safe from violence and aggression, inappropriate sexual behaviour, and racial abuse.  The framework will bring together several workstreams to provide a coordinated approach to reporting on progress and delivery metrics on the following areas, with an update against each:  Progress on violence and aggression:  • Assessment against the violence and aggression reduction standard completed, project management support in place, plan and progress to Senior Leadership Team and Executive Management Team.  • Risk assessment panel in place, IPQR reporting on baseline metrics in place, and to be further developed as part of the action plan.  • New and expectant mothers' policy implemented, draft violence and aggression policy in consultation.  • Communications approach developed.  • Research and charities bids in progress to support the wellbeing hub  • Staff survey completed on experience of violence and aggression and sexual safety (105 responses).  • Staff group meetings continue and individual engagement with					

- affected staff.
- Sexual safety and reducing violence and aggression workshop to take place in June 2025.

#### **Progress on Sexual Safety:**

- Sexual safety charter assurance through the violence and aggression reduction group.
- Sexual safety and reducing violence and aggression workshop to take place in June 2025.
- Staff survey completed on experience of violence and aggression and sexual safety (105 responses).
- ESR reporting options developed.
- Guidance updated in Ulysses.
- Sexual safety dashboard implemented and improved data analysis
- Updated sexual safety policy in consultation, unacceptable behaviours policy reviewed, training roll out to all staff groups in progress, online training by end May.
- Links with voluntary sector being developed with an expert by experience

Which strategic objective does the item primarily contribute to:						
Effective Use of Resources	Yes	X	No			
Deliver Outstanding Care	Yes	X	No			
Great Place to Work	Yes	X	No			
Reduce inequalities	Yes	X	No			

## What is the contribution to the delivery of standards, legal obligations and/or wider system and partnership working.

- NHS Health Wellbeing Framework (2021)
- Least Restrictive Practice Plan
- NHS Violence and Aggression Reduction Standard
- NHS Sexual Safety Charter
- Health and Safety at Work Act 1974
- Human Rights Act 1998

Board assurance framework (BAF) and corporate risk(s):	The following BAF risks are associated with this item: <b>BAF.0013</b> Risk that our staff do not feel well supported, caused by a lack of appropriate measures and mechanisms in place to support staff wellbeing resulting in a poor experience for staff, failure to provide a positive working environment and potential for increase in absence and gaps in health inequalities which in turn impacts negatively on service user/patient care.			
	<b>BAF 0031</b> There is a risk we fail to deliver on national inequalities priorities and our strategic aim to deliver inclusive services, caused by failure to adopt an inequalities-based approach to care resulting in poorer access, later presentations and risk of poorer outcomes.			
Any background papers/items previously considered:	<ul> <li>Violence and aggression: slides were received at the Board Strategy and Development Workshop in February 2025.</li> </ul>			

Sexual Safety: slides were received at the Board Strategy and

Racial Discrimination: slides were received by Board members

via email in respect of priorities actions and progress to

Development Workshop in February 2025.

	evidence our anti racist organisation pledge.  - This report was received by the Executive Management Team on 15-05-25 for information and discussion, and, subject to further amends was approved for submittance to May Board.
Recommendation:	The Board are asked to receive the attached slides, for <b>approval</b> , <b>assurance</b> and <b>information</b> .

# Feeling safe at work

Developing a Trust wide approach Board of Directors May 2025

## Context

isolation.

### **Nationally the 2024 NHS Staff Survey found that:**

- One in seven had experienced at least one incident of physical violence from patients, service users, their relatives or public in the last 12 months
- Just over **25% had experienced at least one incident** of harassment, bullying or abuse from patients, service users, their relatives or public in the last 12 months.
- Just over **74% had reported violence**

### **Sheffield Health and Social Care Trust:**

- One in six (16%) had experienced at least one incident of physical violence from patients, service users, their relatives or public in the last 12 months.
- Just over 25% had experienced at least one incident of harassment, bullying or abuse from patients, service users, their relatives or public in the last 12 months.

multicomponent approaches rather than implementing interventions and approaches in

Just over 91% had reported violence

Workplace violence is a **complex problem**, and it is widely recognised that the best way to tackle violence, harassment and abuse against healthcare staff is through comprehensive

there are as many as 200 assaults per day on NHS staff

1 in 7 NHS staff experienced physical violence from patients, their relatives, or members of the public in 2022 Cultures within the healthcare sector mean many staff view exposure to violence. harassment and abuse as an inherent part of their job

#### **IMPACTS**

#### Individual

- · Physical and mental health problems
- Low job satisfaction
- · Increased acceptability of violence
- Worsening career progression or prospects

#### **Organisational**

- Staff sickness absence
- Staff retention
- Quality of patient care
- Financial costs

#### **RISK FACTORS**

#### Individual

- Professional position and level of experience
- Demographic factors
- · Workload and stress

#### Organisational and Situational

- Inadequate policies on violence, harassment and abuse
- Staffing shortages
- Long waiting times
- Lone working
- Environmental design of healthcare setting

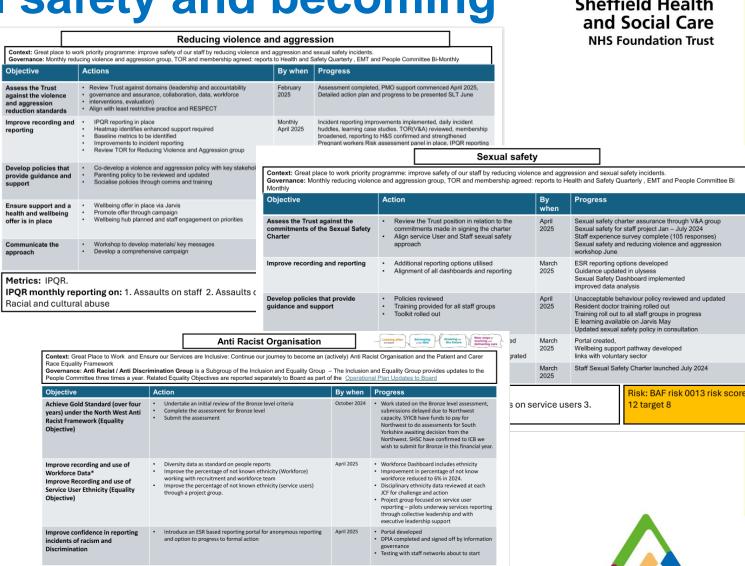

Delivering to reduce violence and aggression, sexual safety and becoming anti racist:

**Sheffield Health** and Social Care **NHS Foundation Trust** 

The previous reporting approach has been to report using individual action plans.

Actions focussed on delivering actions up to April 2025.

This included identifying metrics and risks related to each area of focus.

Metrics: Workforce Race Equality Standard, Staff Survey EDS Metrics, PCREF Metrics, NETS Metrics

IPOR monthly reporting on: Racial and Cultural Abuse

\*Risk: 5159 Directorate

## How will we know we are getting it right?

A dashboard will be developed to align all measures into one place.

### **IPQR** data:

- Assaults on service users
- assaults on staff
- racial and cultural abuse

### **Metrics the align:**

- Workforce and medical race equality standards (WRES and MWRES)
- PCREF

A baseline will be set for each so that progress can be tracked.

### Incidents:

recording and reporting by protected characteristic and incident Feedback: staff survey, freedom to speak up, staff networks and individual stories

# High level timeline:

What	When
Identify leads and agree a joined-up approach to	June 2025
the programme.	
Review current meeting arrangements and	June 2025
reporting arrangements - align TOR and	
membership	
Set out new governance arrangements	July 2025
Develop a comprehensive communication plan	July 2025
Develop a dashboard along with baseline metrics	July 2025
Identify work stream leads	July 2025

## Update

Training, education and development

- ✓ Sexual safety and reducing violence and aggression workshop to take place in June 2025.
- ✓ Training for all staff groups in progress, online training to be in place by end May 2025.

Awareness raising campaigns

- ✓ Dedicated intranet page is now in place signposting to information, policies, guidance documents and sources of support.
- ✓ A poster has been co-designed by the staff network and further work to expand on resources that provide clear messages is planned.

policies and procedures

- ✓ New and expectant mothers' policy implemented,
- ✓ Violence and aggression policy in progress.
- ✓ Updated sexual safety policy in consultation,
- ✓ Unacceptable behaviours policy reviewed
- ✓ Risk assessment panel in place.

## Update

well being and support

- ✓ Staff group meetings continue and individual engagement with affected staff are offered.
- ✓ Research and charities bids in progress to support a wellbeing hub

Recording, reporting and data insight

- ✓ IPQR reporting on baseline metrics in place, and further work to develop an aligned dashboard will progress.
- ✓ Staff survey completed on experience of violence and aggression and sexual safety (105 responses) to inform our approach.
- ✓ ESR reporting options developed.

Tackling ingrained cultures and behaviours

- ✓ Sexual safety charter assurance through the violence and aggression reduction group.
- ✓ Values into behaviours work will drive expected behaviours.

# What have people told us:

- 100 staff have shared their experiences through an anonymous survey.
- In addition attending services to hear directly from staff their experience in relation to violence and aggression and sexual safety
- Visits to Endcliffe, Burbage, Stanage, Eastglade, Learning Disabilities, CERT, Northlands and spoken to individuals who have come forward in confidence as well as receiving feedback from staff side on behalf of their membership. We will continue to attend sites and meetings

### Staff have told us:

- ➤ They often don't feel supported to report incidents,
- ➤ More help with is needed to assess and manage risks e.g. lone working
- ➤ Staff don't always feel they are listened to
- ➤ That support post incident isn't always what is needed.

The results of the staff survey will inform the approach and where we need to improve. More discussions to use the findings will take place in working groups.

## **Current focus:**

- ✓ A revised sexual safety policy to be ratified
- ✓ New preventing and reducing violence policy in development
- ✓ SHSC Manager training module(s) to be developed
- ✓ New alerts when reporting incidents will sign post to support available
- ✓ Risk assessment training to be implemented.
